

# Folger Art Means Excellence

---

Dear Parents:

We would like to extend the opportunity to you and your child to become more involved in the arts. In the coming months your child will be experiencing arts integrated lessons in school. We would like to extend this learning beyond the classroom. So we created a parent/teacher group called FAME. Through FAME we will be giving you ideas about how you can experience the arts with your child. It may be individual opportunities or it may be groups of families going to a destination. We hope you will take advantage of these offerings. Be watching the Folger website each month for great ideas.
